Dear Sir:

In reviewing the above-captioned application file upon allowance, the undersigned noticed that the Title reflected on the Notice of Allowance and Issue Fee Due is incorrect. Specifically, the word "Tool" has been replaced with the word "Actuator" without assent of the Applicant. Please make the following changes prior to issuing the Letters Patent.

The correct Title should read as follows:

-- Hydraulic Tool --

The PTO is therefore kindly requested to issue a corrected Notice of Allowance as soon as possible.

Applicant additionally requests that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect these corrections.

Dated: May 1, 2006

Respectfully submitted,
